

Declaration of website accessibility for private entities
referred to in art. 3 paragraph 1-bis of law 9 January
2004, n.4

Declaration

Centrico S.p.A. is committed to make its website accessible, in accordance with law 9 January 2004, n. 4. This accessibility statement applies to: <https://www.centrico.tech/>.

Compliance status:

Partially

compliant

This website partially complies with the requirements set out in Appendix A of the UNI CEI EN 301549 standard due to the cases of non-compliance listed below

Not accessible contents

The contents listed below are not accessible for the following reasons: failure to comply with law 9 January 2004, n. 4:

- Criterion: 9.1.3.1 - In some cases, information, structure or correlations conveyed by the presentation of the pages cannot be determined programmatically (or are not available via text);
- Criterion: 9.1.4.4 - Some texts, except subtitles and images containing text, cannot be resized up to 200 percent without using assistive technologies and without losing content and functionality;
- Criterion: 9.2.2.1 - There is a time-dependent item or event where even one of the following is not possible: turn off time limit before reaching it, adjust time limit, cannot extend up to 10 times, user is not warned beforehand of the expiration of the time, except for exceptions provided for by law;
- Criterion: 9.2.2.2 - Some animations, flashes, scrolls or self-updates of information that start automatically, last more than five seconds or are presented in parallel with other content, there are no mechanisms to stop or hide them;
- Criterion: 9.2.4.1 - It lacks a mechanism to skip blocks of content that repeat across multiple web pages;
- Criterion: 9.2.4.2 - Some web pages do not have titles that describe their topic or purpose;
- Criterion: 9.2.4.5 - In some cases there is either no or only one way to identify a web page within the site;
- Criterion: 9.2.4.6 - Headings and/or labels do not sufficiently clarify content or functionality;
- Criterion: 9.2.4.7 - The focus indicator is not visible on some interactive elements;
- Criterion: 9.3.2.4 - Some components with the same functionality within a set of web pages are not consistently identified;
- Criterion: 9.3.3.1 - In some cases, when an insertion error is automatically detected, the item in error is not identified and/or the error is not described in text;
- Criterion: 9.3.3.2 - In some cases, no labels or instructions are provided when the content requires user input;
- Criterion: 9.4.1.1 - The page markup code does not always conform to its specifications or contains errors, or duplicate attributes and IDs;
